Charles E. Daniel

Charles Daniel
Candidate For
Albany Council

Charles E. Daniel, who has
filed for the office of city coun-
cilman for the city election on
April 12, has been a resident and
property owner in Albany for the
last ten years, first on Portland
Avenue and presently at 519
Madison Street where he lives
with his wife and three children.

He has filed with the support
of a number of people who feel
that the incumbents have lost
sight of their duty to represent
the people at large, and have
adopted a narrower view. "I
elect," he says, "I shall try
my utmost to be non biased, to
work diligently for those projects
that promote civic betterment,
and to make sure every citizen
and property owner having busi-
ness with the city receives a full
and fair hearing."

Mr. Daniel was born in In-
diana in 1926, the son of a heavy
construction carpenter. He re-
ceived his grammar school edu-
cation in that state and was
brought to California by his par-
ents in 1939. He attended high
school in Redding and Fresno.
Leaving high school in his low se-
nior year he joined the United
States Army and was trained at
the U. S. Cavalry station at Fort
Riley, Kansas. He served with the
73rd Infantry in Burma, and as
liaison officer with the 13th Chi-
nese Army in the spring and sum-
mer offensive of 1945 and re-
ceived the Bronze Star. Follow-
ing World War II he served with
the U. S. Constabulary in Ger-
many.

Leaving the Army in 1948 he
entered the U. C. College of Phar-
macy, graduating in 1953, for
the last four years he has been
with Walt's Drug Store in Berke-
ley. He is a member of American
Legion Post No. 292 in Albany.
He is a member of the Retail
Clerks Union No. 8701 but has
not sought or received any union
support, feeling that labor or-
ganizations, as such, have as lit-
tle right to inject themselves into
this non-partisan campaign as
have the political parties.

County Mayors
Hold Meeting
in Fremont

Mayors of the thirteen incor-
porated cities of Alameda County
held their regular monthly meet-
ing last Friday evening in Fre-
mont, with nearby Union City
serving as host. Mayor Jerome
Blank, Vice Mayor Leonard L.
Keck, and City Engineer John H.
Wright represented Albany offi-
cially.

On the agenda was a report of
the Peace Officiers Training com-
mittee; the Metropolitan Council
Committee; the Mayors' Gas Tax
Formula; Fremont's Benefit Dis-
trict Court Suit, and Livermore's
Lower Connection Fee court
suit. Also there was a report by
Mayor William M. McCall of
Alameda on "Cleaning Up the
Bay". He urged all the cities
bordering on the Bay to co-oper-
ate in "Bay Clean-up Day" — or
after two days, April 23 and 24,
calling attention to the real dan-
gers of floating logs and other
debris in the bay waters, he said.

He Coast Guard and other gov-
ernment agencies are planning
to co-operate, and also the Boy
Scouts and Sea Scouts. Danger
of damage to pleasure boats,
large and small, he said was
greater than most people real-
ized and even lives might be
endangered. Mayor McCall was
assured of help in his campaign
from all the cities involved.

Mayor Hutchison of Berkeley
presented a program for a Bay
Area Council or Association of
Bay Area Governments. This
was discussed at some length
and is scheduled to be taken up
at later sessions.

COUNCIL
DENIES
POMONA
REZONING

A public hearing was held be-
fore the city council at its regu-
lar meeting Monday night on a
request for the rezoning of Lots
29 and 30, Block 12, Regents
Park Map No. 6, 1156 Portland
Avenue. The request was denied
by unanimous vote on a written
opinion from City Attorney Rob-
ert J. Foley, who declared the
rezoning would be illegal as the
property designated was below
the minimum size for consti-
tution of a residence or multiple
dwelling, 25,000 square feet. A
rear yard waiver on the same
property was also denied.

The city attorney's ruling
announced at a possible "out" in the
matter, if the property owners
should revise their plans and at-
tach the new structure to the
one existing, making of a single
multiple dwelling or duplex,
which could be built if the prop-
erty were to be rezoned. At the
hearing there were no verbal
protests, and none had been re-
ceived in answer to the notices
sent out to 68 adjoining property
owners.

Mayor Jerome Blank made a
report on a measure discussed at
last Friday night's meeting of
the Alameda Mayors Conference
at Fremont. This was a proposal
emanating from the Alameda
County Board of Supervisors in
which it was suggested that the
county add two cents to the tax
rate per \$100 assessed valuation
to cover the cost of supplying
ambulance and emergency ser-
vice to cities in the county which
have no hospital service avail-
able.

Mayor Blank protested against
such a tax, saying that Albany
was getting very satisfactory
and efficient service at a cost of
less than \$20 a month, and cities
desiring such service should
make their own deals and pay
for them. Mayor McCall of Al-
ameda stated that his city paid
between forty and fifty thousand
dollars for their service, but that
he would object to turning the
matter over to the county at any
increase in the county tax rate.
Other cities, having their own
service, also protested. Mayor
Blank said a two cent county tax
increase would cost the citizens
of Albany an additional \$3000
more a year. It was moved by
Councilman Howell, seconded by
Councilman Keck that Albany
register a protest against the
proposed tax increase, and that
the County Board of Supervisors
be so notified.

A complaint was filed with
the council asking that some-
thing be done to abate a nu-
isance of "alley cats", which it
was claimed were damaging val-
uable garden plants. The matter
was referred to the city attorney
for advice as to what, if any-
thing, could be done to abate the
alleged nuisance. The matter

solved. Top to brim with chilled heavy or

Do not stir after adding cream. The true delight
of Irish Coffee is obtained by drinking the hot
coffee and Irish Whiskey through the cream.

Mrs. Jutta Hardin Promoted Again by S.F. Banking Firm

Mrs. Jutta C. Hardin of 911 Santa Fe Avenue, Albany, has just been promoted to the post of Assistant Cashier in the Real Estate Loan Department at the head office of the American Trust Company in San Francisco.

Mrs. Hardin, who first joined the staff of the big banking firm in 1942, has been with the mortgage banking department for the last ten years, and for the last three years has been head of the real estate insurance division.

Her father was the late Dr. Victor Zahn, for many years a noted chemist and executive with Shell Development Co. of Emeryville. Her mother is Mrs. Kathe Zahn, member of the Albany City Council for the last ten years.

He was also well known for his authoring of a book called "Book of Recreation Procedure," which is used in various colleges including San Francisco State College.

He is survived by his wife, Theresa Marie Devine. He was the father of Emmett Devine Jr., Maureen A. Devine and Michael J. Devine, all of Albany. Two sisters, Mary Mallon of Sonoma and Ann Gerrety of San Francisco are among other survivors.

Dance to Benefit Aid to Injured Terry Lewis, 6

El Cerrito VFW Post 6422 and Auxiliary are giving a dance on March 19 at the Memorial Hall, Stockton and Kearney Streets, El Cerrito, to help defray the medical expenses of little Terry Lewis, age six, who recently fell from a wall in the back yard of his home, piercing his neck on a pair of shears. Terry has captured the hearts of everyone who heard of his courage and determination to live in spite of such a serious injury.

Terry is now recuperating at home but doctors predict at least two more operations will be necessary to repair the damage. Although their medical plan has taken care of part of the expense, specialists and around the clock nursing have made it impossible for the parents to pay the remaining charges. Mr. Lewis, a veteran with 10 years service in the U.S. Navy, is employed at Moore Dry Dock as a machinist.

The entire membership of the local VFW Post and Auxiliary are working to make this dance a huge success. The Marinelli orchestra will supply music for dancing from 9 p.m. until 1 a.m. and a good time is promised everyone. The public is urged to attend and tickets may be obtained at the door. Anyone not able to attend and wishing to make a donation may do so by calling the Post Quartermaster, W. T. Kuhn at BE 3-1699, or the Auxiliary Treasurer, Mrs. Dorothy Berg at BE 2-4777.

Nurture your mind with great thoughts; to believe in the heroic makes heroes. — Benj. Disraeli.

THE SOCIETY OF GOVERNMENTAL ACCOUNTANTS have a new set of officers, recently installed at a meeting in Niles where they heard an address by Martin F. Anderson, Chief of the State Division of County Budgets and Reports. He is chairman of a committee of the organization which is developing a uniform accounting system for counties. Left to right in the picture are: Anna M. Brown, secretary-treasurer of the organization; Martin F. Anderson; Mrs. Bette Rhodes, vice-president, who is an accountant at the Albany City Hall, and Martin Huff, president of the accountant organization.

Marin School PTA In Spring Program

Marin School P. T. A. enjoyed a special spring program of fashion and music on the afternoon of March 8 in the school cafeteria. Mrs. Jesse J. Shepherd, from the Albany Adult Education Center, spoke on "Costume Composition" and modeled some of her own creations. During the costume changes, the mothers were entertained by special talent from the Marin School and Thousand Oaks School student bodies. David Thomas and Frank Bliss performed a violin duet accompanied by Mrs. Everett Bliss at the piano. Frank also played a violin solo with Martha Wasley at the piano.

Mrs. Cecil Thomas entertained with a trumpet solo by Bach.

The P. T. A. also elected officers for the following year. The executive board will be Mesdames Fred McCollum, president; Victor Brandt, 1st vice-president; Alvin Drozda, 2nd vice-president; Frank Eggert, 3rd vice-president; William Potts, recording secretary; Paul Higley, corresponding secretary; Eldon Wolf, financial secretary; Albert Kister, treasurer; Kenneth Forry, historian; and Richard Rodda, auditor.

Featured chairmen for the day were Mesdames Rodney Arkley, radio and television; John Jacobson, audio-visual; and Joseph Silva, Junior Traffic Police.

WINDOW SHOPPING FOR WATER...
What we really mean is: using "East Bay MUD's" modern drive-in bill-paying windows (like the ones at our Oakland and Berkeley offices); getting to know the smiling cashier who receives payment for your water service bill; and remaining comfortably seated in your car.
This month we unwrap the new Walnut Creek business office for the 85,000 water-users east of the Berkeley Hills. It's a pretty package, too. Low. Modern. Well landscaped. Lots of parking. And...oh yes: this is a picture of its big, green-tinted, drive-in window. For window shoppers.
Convenient? Well, we hope so. But on the other hand, convenience and service are just by-products at "East Bay MUD." Where we really shine is in supplying you (and your more than 1,000,000 East Bay neighbors) with pure, soft, Sierra water. And plenty of it—at the lowest rates in the Bay Area.
Booklets on water? Glad you asked!

Which man is a
PG&E owner?

Probably both of them are... because PG&E is owned by thousands and thousands of men and women from all walks of life. No one of them owns as much as one-tenth of 1% of the Company. And whether you're one of our 225,000 shareholders or not, you have a stake in PG&E ownership if you have an insurance policy or participate in a pension plan, or own shares in a mutual fund. PG&E securities are held by such institutional investors as these. Thus directly or indirectly nearly everybody is an owner of PG&E... and probably you are too!

Obituary

ANDREW G. CRIST:

Passed away suddenly enroute to Herrick Memorial Hospital, Berkeley, on Saturday, March 5. He was a native of Sweden, aged 72 years, and had resided in Albany for the past 40 years, his

home address being 928 Stanage Avenue. He was a retired plumber. He is survived by two sons, Richard and John Crist, both of Sweden, and also two sisters, both of Sweden. He was a former member of Amity Lodge No. 370, F. and A.M. of San Francisco, and a charter member of the Senior Citizens of Albany, in which he took a very active

part. Funeral services were held Tuesday, March 5, 1:30 p.m., at the Ellis-Olson Mortuary, with Rev. Daniel L. Apra, of the Arlington Community Church, of Berkeley, officiating, followed by committal services at the Sunset View Cemetery, Berkeley.

CHARLES JOSEPH BORREANI

A host of friends mourned the passing of Charles J. Borreani, a

resident of Albany since 1943. His home was 713 Jackson St. Mr. Borreani, an active member of the Dads Club of St. Mary's High School, passed away while visiting on the campus of the school. Doing honor to his memory, along with many friends and relatives, the entire graduating class of St. Mary's attended the Rosary and funeral service which were held from the Ellis-Olson Mortuary in

Albany, with a Requiem High Mass at St. Jerome's Catholic Church, El Cerrito, of which he was a member.

Mr. Borreani is survived by his wife, Marie and five children, Mrs. Virginia Staehli of Lompoc, Mrs. Betty Wixon of Richmond, Charles J. Borreani Jr., Earl F. Borreani and Frank S. Borreani, all of Albany. He was the brother of Jessie Borreani and Andrew J.

Borreani of San Francisco, Mrs. Annie E. Buzdon of Richmond, and Zita Marie Barella of Albany. His grandchildren are Tommy and Laura Staehli and Bryan Wixon.

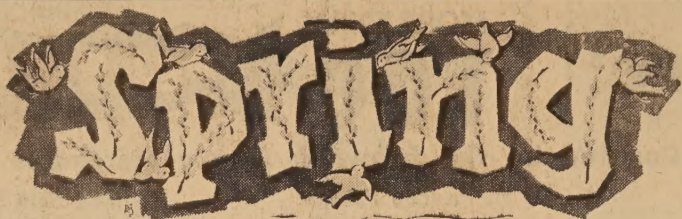

Besides his membership in the St. Mary's High School Dads' Club, he was active in Holy Names Society of St. Jerome's Church, and the Gardeners, Nurserymen, Florist Local No. 1206 of

Oakland. In his youth, he was a professional ball player known as "Chick" Borreani, and was with the Pacific Coast League from 1927 to 1935, with clubs from San Francisco, Sacramento and Seattle. In recent years, he has been associated with the Oakland School Department as a landscape gardener. He was born in France 55 years ago.

Attend Institute

Mrs. Kay Geering, Mrs. Johnston and Mrs. Ellen Adams from the Alteen Adult Association Committee recently attended a Teen Institute held at Lark Park in Berkeley. Superintendent E. L. Nelson and Supervisor Bud Rooney attended from Albany Park and Recreation Department.

CHRISTIAN SCIENCE
The power of faith, raised to a new understanding, will be the subject of the Lesson-Sermon at 11 a.m. Sunday.

Mark's account of the healing of the epileptic boy will be read, concluding with Christ Jesus' words (9:29): "This kind can come forth by nothing, but by prayer and fasting." The subject of the Lesson-Sermon is "Matter."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this (23:16): "Faith, if it be more belief, is as a pendulum swinging between nothing and something, having no fixity. Faith, advanced to spiritual understanding, is the evidence gained from Spirit, which rebukes sin of every kind and establishes the claims of God."

The Golden Text is from Colossians (3:2): "Set your affection on things above, not on things on the earth."

Christian Science Society of Albany meets at 533 San Pablo Avenue. Sunday morning services are held at 11 a.m. and the Wednesday evening meetings are at 8 p.m. Everyone is cordially invited to attend the Sunday morning services and Wednesday evening meetings. The Sunday School convenes every Sunday morning at 9:30 a.m.

ST. ALBAN'S EPISCOPAL
Sunday Services:
8 a.m. Holy Communion and sermon.
9 a.m. Family service of Holy Communion at which time nursery care is provided. This service is followed by Christian education classes for all ages, the adult Bible class being taught by the rector, the Rev. John H. Blackledge.

11 a.m. Morning prayer, Litany and sermon by the rector. Nursery care is provided.
7 p.m. High School Young People's Fellowship under the direction of Mr. Robert F. Mann and Mr. Dale Phillips, youth advisors.

Inexpensive Quality

This two bedroom home has features not always found in smaller homes; such as cedar-lined closets, a separate workshop and an attached garage. A good prospect for a Cal-Vet loan with a low down payment. Evenings, Mrs. Meyers, LI 3-7808.

Money Makers

Opportunity is knocking! These, no doubt, would have been Nickerson's choice. Your start on that first million. Exactly right for the beginning investor. Ten and twelve rental units at a low price. Improve and raise rents or sell at a profit. Evenings, Mr. Young, LA 6-5629.

One Look

Is worth a million words. Confucius notwithstanding, so better inspect this home of 2 bedrooms, plus family room with fireplace. In Berkeley, relative young and exciting with a creek for a romantic setting. Evenings, Mr. Pursell, LA 5-4776.

Going Up?

This high quality home in a neighborhood of high quality homes will boost your prestige and pride of ownership. It has all the high quality features of modern design and also a view. Less than 2 years old with a sizable, 5% per cent assumable loan. Evenings, Mr. Neufeld, LA 6-3852.

Four-Plexes in South Richmond

These new apartments serve an industrial area that is being up-graded. All units have 2 bedrooms, electric kitchens, garbage disposals and mahogany woodwork. Good income at a low price. Evenings, Mr. Young, LA 6-5629.

Huge But Healthy

This is a home with UTILITY, and just old enough to be well developed but not set. The four bedrooms and recreation room bring down the price on a cost per family member basis. Evenings, Mrs. Meyers, TH 3-7808.

Land!, Land!, Land!!

What is better to spend your money on in California if the value is there? and, believe us, it is. Don't regretfully say, some time in the near future, I could have bought for \$...? Inspect, then invest and enjoy this appreciating property. Evenings, Mr. Pursell, LA 5-4776.

Open Sunday 2 to 5, 2830 Barrett Ave., Richmond
